Assalamu'alaikum Warahmatullahi Wabarakatuh

First of all, I would like to express my gratitude to Allah SWT who has bestowed His grace and guidance so that we can attend this conference in good condition. Sholawat and greetings we always pray to our lord Prophet Muhammad SAW.

I am pleased to have the opportunity to welcome you to the "International Conference on Sciences, Mathematics, and Education" (ICoSMEd) and AMLI Meeting 2022, which are being held by the Faculty of Mathematics and Natural Sciences, Universitas Negeri Gorontalo.

I would also like to express my deepest gratitude to the Chancellor of Universitas Negeri Gorontalo, and all the keynote speakers who have gladly accepted our invitation to share their knowledge and experiences in various skills at this conference. To all speakers, Deans, and participants, I am very honored and pleased to welcome you to this hybrid conference and AMLI Annual Meeting. This conference is a special opportunity for those working in Mathematics, Science, Education and other related fields. ICoSMEd will be a forum for us to meet, share current research and information, develop partnerships for future collaborations, exchange new ideas and apply experiences. Hopefully this conference can contribute to innovations and new trends in Mathematics, Science, Education and other related fields.
